SUBJECT: Assassination of Martin Luther King, Jr.

Reference is made to your memorandum of August 19, 1970, concerning author George McMillan's request for information pertaining to James Earl Ray, and other communications transmitting similar requests by Mr. McMillan; and to your memorandum of January 21, 1970, concerning among other things requests received by your Bureau for information pertaining to the Ray case.

While I do not believe it would yet be appropriate to make public the contents of the Ray files, a certain portion of the file has already been made available, in connection with a civil suit brought under the Public Information Act by Harold Weisberg, to Mr. Weisberg and thereafter to other individuals. Those papers consist only of the original documents filed on behalf of the States of Tennessee and Missouri in the extradition proceedings in the British Court.

It is our intention to make these papers available in the future to authors, publishers or members of the public who wish to inspect them and who make appropriate arrangements through this Division.

I am attaching for your information a copy of our letter to Mr. McMillan to this effect.
